

## BeBuddy-Newsletter 04/2022

### 1) We are looking for tutors for the FTBA programme

RWTH Aachen University enables particularly gifted international students to directly enter a Bachelor's degree programme. The prerequisite for direct entry is acceptance into the "Fast-Track-Bachelor-Admission" (FTBA) tutoring programme.

As part of the FTBA support programme, tutors are being sought for the winter semester 2022/23 by the International Office of RWTH Aachen University to provide subject-related support to small groups of international students from the "FTBA program" in the first semester.

#### Your profile

- Students of RWTH Aachen University from the 2nd semester onwards with very good subject knowledge in the following courses of study
  - Mechanical engineering
  - or Business Administration and Engineering: Mechanical Engineering
  - or Computational Engineering Science
  - or Electrical Engineering and Information Technology B.Sc.
  - or Computer Science
  - or Computer Engineering
- Good German language skills
- Independent working style
- Good organisational skills and ability to work in a team
- Friendly and open to people from other cultures

#### Your tasks

As a team of two to three tutors, you will supervise the international students of the FTBA programme in German language within the framework of a weekly small group tutorial. The students will start their bachelor studies in the winter semester 2022/23 in one of the above-mentioned subjects at RWTH Aachen University. The aim of the tutorial is to provide professional support, help with study planning in the first semester, support in getting used to the teaching and learning system at RWTH, assistance with the preparation and follow-up of exercises and exams and support in dealing with exam registrations, etc. You will be supported in your work by the coordinator of the FTBA programme.

You will be employed as a student assistant.

The position is to be filled as of 01.09.2022 and is limited until 31.03.2023.  
The position is part-time.  
The regular weekly working time is 7 hours.  
The grading is based on the guideline for student and research assistants.  
The position is valued at 11.80 €.

Please apply by 30 June 2022 with a letter of motivation, a CV and the current grade certificate by email to the coordinator of the FTBA programme Ms Azadeh Hartmann-Alampour from the International Office of RWTH Aachen University: [azadeh.hartmann-alampour@zhv.rwth-aachen.de](mailto:azadeh.hartmann-alampour@zhv.rwth-aachen.de)

## 2) Welcome Weeks for new international students summer term 2022

The Welcome Week summer term 2022 is now over and we would like to thank all of those who participated as new international students, RWTH returnees or Welcome Week volunteers. The photos of the events are available until 30 April 2022 [here](#). International students who missed the events can find all presentation materials on our Latecomer Website at [www.rwth-aachen.de/latecomer](http://www.rwth-aachen.de/latecomer).

Students interested in volunteering in the next Welcome Week winter term 2022/23 from 19 September to 30 September 2022 can register via email at [welcomeweek@rwth-aachen.de](mailto:welcomeweek@rwth-aachen.de) by 1 August 2022.

## 3) Housing newsletter for international students

The Housing Advice Service of the International Office has implemented a newsletter for international students to be updated regularly about incoming offers, availabilities in student dorms, upcoming housing events and further topics to get acquainted with important processes in Germany. Interested students can subscribe [here](#).

If you would like to sublet your room or apartment to an international student, please refer to our detailed [tips for renting out your property](#) and do not hesitate to contact our Housing Advice Service at [housing@rwth-aachen.de](mailto:housing@rwth-aachen.de) if you have any questions.

Further information available at [www.rwth-aachen.de/housing](http://www.rwth-aachen.de/housing).

## 4) Advising and Services for Students

The student advice center offers a personal advice and assistance with many questions regarding studies. They guide you on the way to making personal decisions and finding solutions. The advising does not aim to promote university studies or continue studies at RWTH Aachen. Use the existing offers of the RWTH Aachen Student Advice Centre, for example the confidential and free [individual](#)

[advising](#), or attend one of the [presentations or workshops](#) on this topic. You can find the new dates of all training sessions and other offerings in the 2022 summer semester at [Dates of all training sessions and other offerings in the 2022 summer semester \(de\)](#).

## 5) HTML course for young adults

Are you fascinated with web pages and wonder how they work? Do you want an intro to front-end development, but don't know where to start? In this interactive course, you will dip your toes into the world of front-end development by learning HTML and CSS. By the end of this course, you will be able to structure and style a basic web page and be the proud owner of your own website.

Please find all the necessary details and information at <https://www.vhs-aachen.de/index.php?id=107&kathaupt=11&knr=221-15515>

**Have a nice week in Aachen and a great start in the new semester!**
