TASTE THE POWER

YEPPIES
Young European People in Torino

YEPPIES is FREE of charge thanks to:

FONDAZIONE  CRT

YEPPIES Young European People

is a meeting that involves the International student Associations invited to take actively part in a convention that will be held in Torino from 25th to 28th of January during the XXIII Winter Universiade. It represents the first occasion in which all the student Associations of every European university and faculty have the opportunity to gather and exchange experiences and ideas about the future.

We are more than 2000 students to take part to this event, that links an important sport event to cultural activities, debates, entertainment, discovery of the territory and of the social context of Torino. The Universiade Organizing Committee, in collaboration with local authorities and Fondazione CRT, gives us the chance to share this incredible experience offering accomodation and meals for free! (lunch and dinner of 26th and 27th!)

Thanks to "My idol becomes my friend", a YEPpies initiative, we are going to meet in Torino the personalities we have always been dreaming of, voting them on the website www.yeppies.eu.

Furthermore there will be the event in the event: Work.step; a complete day dedicated to cultural exchange, workshops, meetings with associations and companies offering professional and educational opportunities.

Last but not least...do not forget to keep your energy to ski at special fares, to enjoy the Halfpipe/Hockey final competition and to join the parties that will warm up your nights in Torino!

Free of charge:

- Meals
- Accommodation
- Parties
- Halfpipe/Hockey final competition
- Local transports
- and more...
