

Invitation to Summer School

**Explorative Analysis and Visualization of Large Information Spaces
14.-18.09.2009, Gaschurn, Austria**

Tutorials / workshops / presentations:

- Image processing (Prof. R. Sablatnig, Dr. M. Kampel, TU Vienna)
- Data mining (Prof. M. Berthold, Prof. U. Brandes, Uni Konstanz)
- Explorative analysis, visualization (PhD students, Uni Konstanz)

Apply for participation:

- Learn about the state of the art
- Find out how research in a PhD works
- All costs (travel, accommodation) covered

You may apply if

- you are an advanced computer science student (master / diploma) or
- you obtained the computer science degree in 2009 and
- you are female (special DFG funding available only for female students).

Dates:

- Deadline for applications: 26.07.2009
- Approval of applications: 30.07.2009
- If places are left, later applications will be accepted.
