**RE: Invitation to the TC6 meeting (May 14-15, 2004, Athens, Greece)**

Dear Colleagues

On behalf of the TC6 Chair, Dr. Otto Spaniol, I would like to cordially invite you to the TC6 meeting to be held in Athens, Greece, on May 14-15, 2004. The precise venue is:

Old University Building (Kleanthous House)  
Tholou 5, Street  
Plaka (Old Athens), Athens, Greece

The meeting is held in conjunction with the TC6 conference Networking 2004 (also in Athens, May 9-13). Please check <http://www.ece.ntua.gr/networking2004> for details about the conference. We hope that many delegates will attend both the conference and the meeting.

The meeting will start on Friday, May 14, around 9:30a.m. and continue until 6.30 p.m. or so. The targeted ending time is Saturday, May 15, at noon. The traditional TC6 dinner will be held in a nearby restaurant on Friday evening. I will provide more logistics information at a later time as needed. You might want to refer to my March 11 and 12 emails with maps, hotel and other logistics information.

The preliminary agenda for the TC6 meeting will be sent by mid of April. Please communicate agenda topics to Otto before that date. Your participation at the meeting (and also at the conference) is very important.

I will be glad to provide a paper/fax version of this letter or a personalized one if needed. Please inform me and Otto regarding your attendance.

I look forward to seeing you in Greece. Best Regards

Ioannis Stavrakakis  
Professor
