## **Square Enix Ltd. is looking for a German native speaker to work as Online QA tester in London, starting from October!**

- Are you a native speaker of German with an excellent command of the language?
- Do you enjoy working as part of a team and know how to organise your work?
- Are you eager to eliminate not only monsters, but also linguistic mistakes?
- Would you like to work and live in London starting from October, working full-time hours?
- Do you play Online Games, preferably FINAL FANTASY XI or FINAL FANTASY XIV?

If you answered “Yes!” to every question (ok, the last one is not obligatory), you should send CV and covering letter to **SEL-Jobs@Square-Enix.com**, quoting the reference “Chocobo”.

We offer the pro-rata equivalent of a £15353 annual salary plus paid overtime and additional payment for weekend-work, etc. Please note that the contract runs until end of March 2012, but is very likely to be extended.

We are looking forward to receiving your application!
